Grace and Peace Mission to Orissa Update, April 2023

Greetings GPMO friends and supporters,

The GPMO board is pleased to share the latest news regarding the mission's progress in India, and specifically, inform you of new government mandates imposed in the Nanda region.

Foremost, the mission has experienced another blessed year by our Lord Jesus. We have remained steadfast in our calling to feed and shelter over 120 children and support 20 dedicated pastors in the surrounding Nanda region. We have also rebuilt critical infrastructure, including the dining hall and staff quarters on the Nanda campus to better support our team. Our children remain healthy and motivated to will a better life for themselves. Every morning the children awaken to hear the Good News and worship Jesus. Praise the Lord!

Unfortunately, due to changes in the state's Child Education and Protection guidelines, Nanda is no longer permitted to care for both boys and girls on the same campus. After careful consideration, the GPMO board has decided to create a satellite campus at the location of Saima Tandi's family home. Fortunately, the Tandi home is only 3 miles from the Nanda campus, easing the transition for both children and staff.

Major renovations are currently underway in order to accommodate the 50+ boys, including the addition of a second story bunkhouse. The first floor will be adapted and utilized for the kitchen area and staff quarters. Presently, we have raised 75% of the cost, which has helped us begin the renovations immediately. The total budgeted cost of the entire project is estimated at \$32,000. We kindly ask for your generous support to help us reach our funding goal and ensure that the renovations are completed in time to receive the children before the government deadline.

"The Lord is close to the brokenhearted and saves those who are crushed in spirit."

Psalms 34:18
